Visiting Student Learning Opportunities (aamc.org/vslo)

1. Away rotations (US or international)
2. VSLO opens on January 22nd, 2018 to begin reviewing opportunities
3. Student submits – CV, documentation of immunizations (**must have healthcare professional verify immunization record**), personal statements (some programs)
4. Kay Austin submits – photo, transcript, verification letter (Kay is your contact person from SSOM)
 - **FYI – Mayo, U of Iowa, U of Wisconsin don't use VSLO. Must apply to institution individually. Send completed application, including extramural proposal form filled out thru Step 1, to Kay and she will complete and submit. Include a copy of your health insurance and immunization records.**
5. Each away rotation must be approved by the corresponding department chair, via the dept assistant before credit can be given. Proposal forms must be completed and turned into Kay at least **30 working days** prior to the start of the elective. If form not turned in, credit may be denied.
6. Use "Extramural Elective Form" for all 890's on your Pillar 3 schedule (must include complete information – medical school, location, Director of Clerkship).
7. Special permission must be obtained for electives NOT associated with a medical school.
8. A copy the acceptance letter for an away rotation received from an institution must be sent to Student Affairs as soon as it is received.
9. Evaluation forms must be completed and returned to SSOM (this is the student's responsibility)
10. If you drop an away rotation (890), you must provide Student Affairs a copy of the letter which you have sent to the institution, stating your intent to drop the course.

International Electives

1. Must also go through the USD Center for Global Learning and follow all their policies
 - a. Attend pre-departure workshop
 - b. Purchase travel insurance – automatically enrolled in BOR Study Abroad Insurance
 - c. Must meet with PMD to discuss any medical needs prior to departure
